How the Corporate Team Challenge works

Enroll your company teams

Form one or more teams of max 5 employees from your company.Choose one of our challenges, with classes 3 or 5 times a week.

Win big

If teams attend 100% of their classes, they could win a team activity valued up to €2000.

Give back

When teams attend 100% of their classes, we'll donate 20% of the hours they took to our scholarship programme.

The ultimate language learning challenge for your company

Increase employee cooperation and promote your corporate values

The Lingoda Corporate Team Challenge offers the perfect remote team building activity while the majority of your employees are working from home. Joining the challenge as a company team will promote your corporate values of collaboration and drive positive employee engagement. The Lingoda Scholarship Programme

We want to support people worldwide who have been impacted by the Covid-19 crisis. Our aim is to help rebuild their careers by learning a new language. For this purpose, we've launched the Lingoda Language Scholarship Programme, which will start in February 2021.

For every student that completes the Lingoda Team Challenge with 100% attendance, we'll donate 20% of their hours to the scholarship programme. A minimum of 5 scholarships will be available (more depending on the number of participants), with each of them consisting of 200h group classes.

Why learn a language online with Lingoda?

Our clients love the quality and flexibility of our classes, but also the availability and personal support of our account managers. They will make sure your employees are all set up and ready to make the best of the Lingoda experience.

The whole team will receive their own results and progress regularly, but also the results of other competing teams.
