"Spring and Easter is usually a time when people are making plans for their holiday season or are already going on their first trips," says Philippa Wentzel, Lingoda's Curriculum Team Lead. "This makes it the perfect time to brush up your foreign language skills. Our language lessons focus on real-life language and cultural context. We take a firmly practical approach: mastering a language means being able to speak it with confidence. So if you are traveling abroad this season, our language lessons will give you the skills and confidence to ask for directions or order at your favorite restaurant in the local language, which makes any holiday even more rewarding", says Wentzel.

All Lingoda language lessons are available on Zoom 24/7 for flexible and convenient language learning. Access to the springtime and Easter sale can be found [here](#).
