5. This promotion is in no way sponsored, endorsed or administered by, or associated with, Facebook, Twitter or any other social network. The Participant is providing their payment information to the Promoter and not to any other party. The information provided will be used in conjunction with these Terms and Conditions.
6. The Promoter also reserves the right to cancel the promotion if circumstances arise outside of its control that could potentially jeopardise the execution of the promotion and safety of the Participant.
7. The Promoter is not responsible for inaccurate price details supplied to any of the Participants by any third party connected with this promotion.

In case of contradictions between these Sprint Terms and Conditions and the Lingoda Terms and Conditions, the Sprint Terms and Conditions shall supersede the Lingoda

10. Whenever 'the Sprint Promotion' is referred to hereafter, this refers to all Sprint Promotions that the Promoter is promoting except those that are explicitly referred to differently.

PARTICIPATION

11. The promotion is only open to Students who have not had a subscription with Lingoda for at least 30 days before the sign-up of the Sprint Promotion.

Month 2 - from 20th April 2022 to 19th May 2022 inclusive

Lingoda will not be responsible and will not refund any class credits for classes booked on wrong dates or times.

The Participant agrees to make both monthly payments regardless of whether the Participant completes the Sprint Promotion or not due to any circumstances.

- 28.** All payments will be in the same currency in which the Participant paid the deposit.
- 29.** The Sprint Promotion payments are non-refundable except for a refund pursuant to Section 26 (Information about your right to withdraw) and a refund if the conditions for refund are satisfied. There is no 7-day refund applicable to this promotion.
- 30.** If the payment is refused on any of the above-mentioned dates, we will follow the usual protocol: to try again during the upcoming days. The Participant will receive an email and should follow the instructions to ensure the payment goes through. It is the responsibility of the Participant to make sure the payment is successful. If Lingoda has not received the payment three days after the above-mentioned dates, the Participant will be automatically disqualified from the Sprint Promotion refund.
- 31.** In case of a chargeback, it is the responsibility of the Participant to reverse the chargeback within 48 hours. Failure to reverse the chargeback within the next 48 hours will result in the Participant's disqualification from the Sprint Promotion Refund.
- 32.** Once the Participant completes the Sprint Promotion, the Promoter will inform the Participant of the results and whether they are eligible for a refund within 45 days of completion. The refund will follow, at the discretion of the Promoter, 3 months after the completion of the promotion at the latest.

33. The amount of the refund depends on the challenge selected by the Participant: full refund for the Super Sprint and half refund for the Sprint.

SUBSCRIPTION AFTER SPRINT PROMOTION

34. The Participant agrees that the promotion will roll into a paid monthly subscription at the end of the Sprint Promotion to which the [Lingoda General Terms and Conditions](#) will apply. The first payment will be charged on **20th May 2022 (CET)**.

35. If the Participant does not want to have this monthly subscription, it is their responsibility to cancel it before its start date, otherwise it will not be refundable. The subscription can be cancelled during the last month (month 2) of the Sprint Promotion through the Participant's Lingoda profile. It is not possible to cancel the subscription before the last month of the Sprint Promotion.

36. The Sprint will roll into a monthly subscription with 10 group classes/month and the Super Sprint will roll into a monthly subscription with 20 classes/month. For this subscription, the Lingoda General Terms and Conditions will apply. However, the 7-day money-back guarantee does not apply to this subscription.

“Keep Running” pack after the Super Sprint - 20 classes per month monthly cost is:

English, French and Spanish - **170 EUR, 205 USD**

German - **200 EUR, 241 USD**

Business English – **230 EUR, 277 USD**

“Keep Running” pack after the Sprint - 10 classes per month monthly cost is:

English, French & Spanish - **100 EUR, 120 USD**

German - **115 EUR, 138 USD**

Business English – **130 EUR, 156 USD**

The rolling subscription for the indicated price above is only applicable to Sprint Promotion participants and does not depend on whether they qualify for the refund in the end or not. Once this subscription is changed or cancelled, the discount cannot be

restored.

SPRINT PROMOTION

37. There are two options for the Sprint Promotion:

Option 1: the Super Sprint (30 classes per month)

Option 2: the Sprint (15 classes per month)

38. The Participant agrees that only group classes contribute towards the Sprint Promotion.

39. The Participant has to participate in an agreed number of group classes during these specified dates each month in order to qualify for the cashback:

Month 1 - from 21st March 2022 to 19th April 2022 inclusive

Month 2 - from 20th April 2022 to 19th May 2022 inclusive

Any classes booked for dates before the first day of the Sprint Promotion, **21st March 2022**, for whatever reason, will result in disqualification for the refund.

40. The Participant will receive the amount of credits they signed up for on the following dates:

Month 1: 13th March 2022 (CET)

Month 2: 10th April 2022 (CET)

Each class the Participant books will use 1 credit.

The Sprint Promotion lasts for two months and the payment will be automatically charged every month (the subscription will auto-renew for those two months).

REFUND

41. a) Conditions for the refund in the Super Sprint:

The Participant can attend a maximum of 1 class per day and must complete the class from start to finish.

On the dates specified above in Section 40, the Participant has to attend the following number of classes:

30 classes in Month 1

30 classes in Month 2

42. b) Conditions for the refund in the Sprint:

The Participant can attend a maximum of 1 class per day and must complete the class from start to finish.

The Participant can attend a maximum of 5 classes per week. For this promotion, a week is considered to start on Monday and finish on Sunday.

On the dates specified above in Section 40, the Participant has to attend the following number of classes:

15 classes in Month 1

15 classes in Month 2

43. The Participant agrees to use the original class credit set that they get with the Sprint Promotion payments.

No other class credits will be considered in order to qualify for the Sprint Promotion refund or for the completion of the Sprint Promotion. Purchasing additional credits in the store and making use of these is not allowed.

44. The Participant agrees to not change their time zone in their Lingoda account during the whole promotion. If the Participant needs to travel between time zones or there are regional time zone changes during the Promotion, it is the Participant's responsibility to book their classes accordingly. The time zone at the start of the Sprint Promotion will be taken as the Participant's time zone for the duration of the Promotion. The Participant agrees that it is their responsibility to organise their desired time zone before the start date of the Sprint Promotion.

CLASSES

- 45.** The Participant agrees that they need to book their classes at least 7 days in advance in order to make sure that there is a class available at their desired time, date and level. If the Participant does not book their lessons at least 7 days in advance, Lingoda does not guarantee that there will be classes available at the Participant's desired time.
- 46.** The Participant can only cancel classes at least 7 days in advance or within the 30-minute immediate-cancel window from within their Lingoda account. The Participant agrees that, if they do not cancel their lessons more than 7 days in advance or immediately, the Promoter will not refund or reschedule the booked lesson and the Participant is no longer eligible for a refund of the course fee. The cut-off for this deadline is exactly 7 days, i.e. 168 hours before the start date/time of the class.
- 47.** The Participant has to attend classes in full (60 minutes) for them to count as completed for the Sprint Promotion (i.e. they cannot be late or leave the class early). The Participant must actively participate (talking and actively listening) in the class, with functioning microphone, speakers and display.
- 48.** If the Participant leaves a class part way through, arrives late or leaves early, this class will not qualify for the Sprint Promotion refund and they will not be able to count these classes toward the Sprint Promotion. Attendance is measured with the system information provided by the class log. In case of discrepancy, the system's log and the information provided by the teacher will be the only valid data that we use.
- 49.** If the Participant does not attend a class due to reasons for which the Promoter is not responsible (may it be health, job, technical, personal, weather-related issues, or any other), the Promoter will not refund the class and the Participant will be automatically disqualified for the refund regardless of whether they have additional class credits due to any circumstances and regardless of any other circumstances.
- 50.** It is the Participant's responsibility to ensure that they have a stable Internet

connection and the required technical settings. The full list of requirements to participate in the online classes can be found [here](#). In addition, Lingoda does not take responsibility for any classes on a 3G or LTE connection where the quality is affected. If the Participant cannot attend a full class due to a bad Internet connection or other technicalities, including microphone or speaker issues, the Promoter will not refund this class, i.e. the Participant will be disqualified for the refund automatically.

51. Any inappropriate behaviour from the Participant during classes may result in the Participant being disqualified for the refund, including but not limited to abusive, rude, sexual or disturbing conduct of any kind. The Teacher has the right to remove the offending Participant from the class, and in case of dispute, the Teacher's view will be taken.

52. If the class doesn't happen due to technical problems or other issues on the Promoter's side, the class credit will be refunded within 72 hours and the Participant does not need to take an additional class that day. The class in question will count towards the Participant's Sprint Promotion progress. If a class credit is refunded by the system due to a class cancellation on the Promoter's side, it is the responsibility of the student to use the class credit after the end of the Sprint Promotion. After the end of the Sprint Promotion, the participant needs to contact the Promoter in order to use the class credits refunded (regardless of whether the Participant continues with any subscription or not).

53. Even if the Participant doesn't comply with the rules of the challenge, the Participant can keep taking classes until the end of the Sprint Promotion.

54. The Participant is allowed to change their learning level at any point, and as many times as desired, without any effect on their qualification for the refund.

AFTER THE SPRINT PROMOTION

55. The Participant eligible for the refund will be notified of the results and whether they are eligible for a refund by phone, email or letter within 45 days of completion. The

refund will follow, at the discretion of the Promoter, 3 months after completion of the promotion at the latest.

56. The refund will be sent in the same currency and to the same payment method used to pay. It is the responsibility of the Participant that the credit card/account they used is still valid by the time the Promoter sends the refund, otherwise the refund cannot be sent.
