## SUBSCRIPTION AFTER SPRINT PROMOTION

## REFUND

**42. a)** Conditions for the refund in the Super Sprint:

The Participant can attend a maximum of 1 class per day and must complete the class from start to finish (i.e. they cannot be late or leave the class earlier).

The Participant has to attend the following classes:

30 classes in month 1 - **from 8th April 2020 to 7th May 2020 inclusive**

30 classes in month 2 - **from 8th May 2020 to 6th June 2020 inclusive**

30 classes in month 3 - **from 7th June 2020 2019 to 6th July 2020 inclusive**

**42. b)** Conditions for the refund in the Sprint:

The Participant can attend a maximum of 1 class per day and must complete the class from start to finish (i.e. they cannot be late or leave the class earlier).

The Participant can attend a maximum of 5 classes per week. For this promotion, a week is considered to start on Mondays and finish on Sundays.

The Participant has to attend the following classes:

15 classes in month 1 - **from 8th April 2020 to 7th May 2020 inclusive**

15 classes in month 2 - **from 8th May 2020 to 6th June 2020 inclusive**

15 classes in month 3 - **from 7th June 2020 to 6th July 2020 inclusive**

**43.** The Participant agrees to use the original class credit set that they get with the Sprint Promotion payments.

No other class credits will be considered in order to qualify for the Sprint Promotion refund or for the completion of the Sprint Promotion. It is not allowed to purchase additional credits in the store or make use of these.

**44.** The Participant agrees to not change their time-zone in their Lingoda account during the whole promotion. If the Participant needs to travel between time-zones, or there are regional time-zone changes during the Promotion, it is the Participant's responsibility to book their classes accordingly. The time-zone at the start of the Sprint Promotion will be taken as the Participant's time-zone for the duration of the Promotion. The Participant agrees it is their responsibility to organise their desired time-zone before the start date of the Sprint Promotion.

## CLASSES

**45.** The Participant agrees that they need to book their classes at least 7 days in advance in order to make sure that there is a class available at their desired time, date and level. If the Participant does not book their lessons at least 7 days in advance, Lingoda does not guarantee that there will be classes available at the Participant's desired time.

**46.** The Participant can only cancel classes at least 7 days in advance, or within the 30 minute immediate-cancel window from within their Lingoda account. The Participant agrees that, if they do not cancel their lessons more than 7 days in advance or immediately, the Promoter will not refund or reschedule the booked lesson and the Participant is no longer eligible for a refund of the course fee. The cut-off for this deadline is exactly 7 days, i.e. 168 hours, before the start date/time of a class.

**47.** The Participant has to attend classes fully (60 minutes) for them to count as completed for the Sprint Promotion. The Participant must actively participate (talking and actively listening) in the class, with functioning microphone, speakers and display.

**48.** If the Participant leaves a class part way through, arrives late or leaves early, this class will not count to qualify for the Sprint Promotion refund and they will not be able to count these classes toward the Sprint Promotion. Attendance is measured with the system information provided by the class log. In case of discrepancy, the system's log and the information provided by the teacher will be the only valid data that we use.

**49.** If the Participant does not attend a class due to reasons for which the Promoter is not responsible (may it be health, job, technical, personal, weather-related issues, or any other), the Promoter will not refund the class and the Participant will be automatically disqualified for the refund, regardless of whether they have additional class credits due to any circumstances and regardless of any other circumstances.

**50.** It is the Participant's responsibility to ensure they have a stable Internet connection and the required technical settings. The full list of requirements to participate in the online classes, can be found [here](#). In addition, Lingoda does not take responsibility for any classes on a 3G or LTE connection where the quality is affected. If the Participant cannot attend a full class due to a bad Internet connection or other technicalities, including microphone or speaker issues, the Promoter will not refund this class, i.e. the Participant will be disqualified for the refund automatically.

**51.** Any inappropriate behaviour from the Participant during classes may result in the Participant being disqualified for the refund, including abusive, rude, sexual or disturbing conduct in any way. The Teacher has the right to remove the offending Participant from the class, and in the case of dispute, the Teacher's view will be taken.

**52.** If the class doesn't happen due to technical problems or other issues on the Promoter's

side, the class credit will be refunded within 72 hours and the Participant does not need to take an additional class that day. The class in question will count towards the Participant's Sprint Promotion progress. If a class credit is refunded by the system due to a class cancellation on the Promoter's side, it is the responsibility of the student to use the class credit after the end of the Sprint Promotion. After the end of the Sprint Promotion the participant needs to contact the Promoter in order to use the class credits refunded (regardless if the Participant continues with any subscription or not).

**53.** Even if the Participant doesn't comply with the rules of the challenge the Participant can keep taking classes until the end of the Sprint Promotion.

**54.** The Participant is allowed to change their learning level at any point, and as many times as desired, without any effect on their qualification for the refund.

### AFTER THE SPRINT PROMOTION

**55.** The Participant eligible for the refund will be notified by phone or email or letter within 45 days of completion with the results, and whether they are eligible for a refund. The refund will follow, at the discretion of the Promoter, latest 3 months after completion of the promotion.

**56.** The refund will be sent in the same currency and to the same payment method used to pay. It is the responsibility of the Participant that the credit card/account they used is still valid by the time the Promoter will send the refund, otherwise the refund cannot be sent.
